

Policy on Solicitation of Signatures on Church Property

Approved by First Church Unitarian, Littleton (FCU) Executive Team on January 22, 2014

FCU members are politically and socially active, and often want to use social events on FCU property, such as the weekly coffee hour, to solicit signatures for petitions for a variety of causes. In an effort to provide a social environment that is comfortable to all participants, the following policy regarding the collection of signatures for petitions has been established.

Petitioners may solicit signatures for petitions on FCU property if the following guidelines are followed:

- Petitioner must be a congregant at FCU
- Petitions must be approved by a member of the Executive Team
- Petitions must be for causes that are sympathetic to FCU's mission and vision.
- An area in the vestry will be designated for petitions; petitioners shall remain there to provide information to those who are interested in signing.
