9/5 No Church (Sunday before Labor Day)

Greetings FCU members and friends,

Summer is here and hopefully the rains of July are now behind us!

We know that many of you are wondering about the plans to resume in-person services this Fall. Your Executive Team (Standing and Deacons) have been meeting regularly throughout the summer to craft a road map to bringing us all together in our sanctuary again. It is our goal and intention to celebrate our reopening in person on Sunday, September 12th.

There are many challenges yet to be faced besides the Delta Variant but we are focused and committed to working our game plan. As we all have realized this is a time of flux and we recognize that Covid instability may challenge our plans but we are proceeding with the work required to reopen our beloved church. We assure you that this instability is part of our plan.

We are feeling incredibly grateful for all who have stepped up to help us along the way and most of all grateful for your patience as we navigate this uncharted territory. We will keep you updated on the journey and want you to know that we are very focused on the task at hand.

We also wish to thank you for your participation in round two of Community Conversations and for responding to the additional short survey. All of this information helps us with our work. If you have any questions at all we are happy to receive and respond to whatever your cares and concerns may be. We can be reached at et@fculittle.org.

Your Executive Team,

Martha Childs, Sara Cope, Bill Duston, Jen Jaksa, Larry Kaylor, Cindy Malley, Monica Pilman, Laura Semple, and Karen Tucker-Barisano

Looking for Photos!

Our Office Admin needs your help! Liz would like to have a collection of photos from various events, formal/casual gatherings, ceremonies, etc. that can be used for various reasons such as the website, slideshows, brochures, etc.

Below is a link to a google drive folder. Please place them in there and name the file with as much info as possible (for example 2020_covid picnic OR 2018_country fair with Hoke and Ersland)...or send them directly to office@fculittle.org.

PLEASE select **TWO** or **THREE** pictures that you think are the **BEST!**
